
All Quickstart now updated to J 1.5.8

Posted by sikumbang - 2008/12/13 12:14

Dear All,

We just want to let you know, we have updated all available J 1.5 quickstart packages into latest stable version, Joomla 1.5.8

(For who don't know yet, joomla 1.5.8 has two moderate-level security issues fix)

=====
