## How allow 1 vote / 1 hour with TP\_showcase?

Posted by jennifer - 2010/02/09 16:30

---

Hello!

I have upload Tp\_showcase but it's allow 1 vote /ip adress. How allow 1 vote per hour?

thanks

Sorry for my mystakes I'am French

Hello jennifer,  
Welcome and thanks for joining.  
There is no any configuration like your idea.  
Maybe it'll need hard custom code

Best Regards

hello ronysyz  
Thanks for your answer.

I knox that it's not configuration. I would like a script php code.  
I have search on the web and I have tought This But it's with cookies.  
I don't know allow many vote for same user.

I need help,please... Where are a webmaster?

best regards
