
Page Peel Image...

Posted by KCorp01 - 2010/03/13 15:22

I am not sure on the correct way to change the image that is on the page peel. There is an image there now. How do I replace it with my new image that I made. Please help...Step by Step would be great!!!Thanks

Hello KCorp01,
You can find its at `modules/mod_pagepeel_banner/pagepeel_banner`

Good Luck
