
Just a quick thanks..

Posted by Lorna Harrison - 2008/04/07 18:40

Hi;

I'm a new member recently signed up, (rocket theme migrant) and after having some problems getting logged into template plaza, the admins were quick to solve my issues and get me hooked up.

Quick actions and a great service. The fantastic templates with quick-start's are just a bonus.

So thank you TP. Here's to a bright & colorful future on the piazza.

Betty x :blush:

Welcome Lorna/Betty !!

Looking forward to seeing what you can do with the Piazza templates.

:)
