thank you for answer :) I WAS HAPPY :)  
so, i can ask for somethings :)  
i know here is not place for this but small wuestion :)

Ý can use templates for two domains  
but i want to know that.  
Each template for two domains or entire membership for two domains :)

For example:  
i downloaded 5 template from here.  
have i 10 domain installation right or only two ?

Thanks from now :)

Hello Selim,  
welcome and thanks for joining, too

You just able to use all our template for 2 domain that you have registered your domain at TP Domain Registration

Regards  
TP'ers
