Subject Official Web of School of Music , San Juan Puerto Rico

URL: EscuelaLibredeMusicaSJ.com

About... A EscuelaLibredeMusica.com, its an official web page of Escuela Libre de Musica (School of Music), in San Juan Puerto Rico. This school was founded 60 years ago and give to Puertorican Society a lot of important and international musicians and artist some of them are classical performers in symphonic orchestra in Puerto Rico and EUA.

EScuelalibre de Musica of San Juan, Puerto Rico its the only one school in Puerto Rico and the Caribe with academic program and music program integrate in one curriculum. Its not a private school, its one of schools in Department of Education but students have to pass an audition. Its a school for musicians of the future and its a privilege for students.

The Webpage give the opportunity to students, teachers, parents and many other member to contact other friends and keep in touch about our concertos, and news.

The Department of Education mailed me for give good news...the like a lot the Web and template and features...That was a great news for me because im a teacher of Department of Education too and as Webmaster too.

Thanks TP for pretty templates!!!

Sorry about my grammar ...as you know my language its not english so i hope you excuse me :)
