## TP menu for non TP template n resize

Posted by zah - 2008/07/02 00:11

---

Halo, i have 2 questions

1. may i use tp menu for non tp templates?
2. how to customize the width size of tp menu?

Sorry if i post on the wrong location(i cant find forum for tp menu, sorry for my stupidity:lol: )

Moderator, plis forgive me n its oke if u move this thread to its right location
