
Bulletin Site (Updated)

Posted by Joe Woller - 2008/07/02 18:27

Let me know what you think:

www.stinkytee.com

Hi, Joe Woller.

Good Website ! :)

Let's Us know, maybe you can more details your website like Site Showcase Rules.

Thanks,
meisyal.

The site if fine. I would change the topmenu for Extended manu. This is probably transmenu module. And the logim forms are little bit too long. Make them shorter and the page will be super.
